

Fresh Pricing.

Businesses require quality legal services tailored to their unique circumstances. One way we deliver that is through our SmartSeries™ programs, which provide an alternative to traditional hourly billing.

SmartStart™ includes start-up legal services typically required to establish a new company. SmartCounsel™ delivers virtual in-house counsel. These products give our clients cost predictability: comprehensive services for a fixed fee.

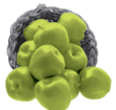

Fresh Pricing. It's a different way of packaging legal services, and just one example of the fresh thinking you will find at AHBL.
