HOLBURN

Reach™ Award 2019
Christina Masakayan

Alexander Holburn's 2019 Reach Award is presented to Christina Masakayan.

After joining the firm in April of 2019, Christina instantly elevated the overall client experience at our firm. Christina is extremely dedicated and consistently goes above and beyond her role at the reception desk.

The goodwill she is building for our firm cannot be overstated. As the first person our clients meet when they enter our office, she is the gatekeeper of our client relationships and has become a tremendous ambassador for our firm in a very short time.

Alexander Holburn is delighted to have Christina as part of our team; someone who embodies the firm's commitment to client service by treating everyone who walks through our doors with the utmost respect, consideration, and kindness. We are honored to present Christina with the 2019 Reach Award.
