PARALEGAL

## BIOGRAPHY

Bette has been working as a Legal Administrative Assistant for 15 years before receiving my Paralegal Certificate. Bette continued to work as a Hybrid LAA/Paralegal up until joining AHBL.

Bette has worked in many areas of law including estate litigation, employment, bankruptcy, collections, ICBC defence, personal injury, construction, civil and commercial litigation.

## ON A PERSONAL NOTE

In my spare time, I volunteer with the BC Powerlifting Association officiating at local, regional and national competitions, as well as organizing competitions. I enjoy spending time with my family and our two Olde English bulldogs, Winston and Nova. When I can, I try to get out as much as possible on my motorcycle.
