

CANNABIS

We represent and assist clients with a wide range of legal services within the Canadian cannabis industry. This fast-growing sector brings high-demand for changes that our lawyers are happy to help you navigate.

OUR EXPERTISE

Our cannabis team is comprised of lawyers with a broad range of knowledge in many different sectors impacted by the new cannabis laws. They understand the federal, provincial and municipal requirements that can affect your business, and monitor the changes and updates in licencing and regulations so they are prepared to help you with any matter you or your company may face. We provide our clients with cost-effective and responsive legal counsel on:

- Regulatory and licensing requirements
- Litigation/Coverage
- Employment law and workplace issues
- Leasing issues, including acquiring land or facilities for producing, selling or dispensing product
- Contracts
- Insurance and risk issues
- Strata bylaws
- Purchase and sale agreements
- Real estate issues
- Financings
- Distribution
- Environmental concerns
- Administrative requirements

INDUSTRY INVOLVEMENT

Beyond advising individuals and businesses, our cannabis team frequently publish topical and informative articles to ensure our clients remain in-the-know of the latest industry updates. They regularly write articles for legal journals and post on our Business Law Blog: businesslawblog.ahbl.ca. They speak to business groups and regularly attend seminars on a variety of cannabis-related topics.
