

FAMILY LAW

Experienced family law lawyers dedicated to protecting your family's future with compassionate, strategic guidance through separation and divorce, parenting issues, property division, support, and more.

OUR SERVICES

We recognize that family law matters involve deeply personal challenges and we support our clients through discretion, sound judgment, and strategic focus. Our team brings decades of experience advising clients across the full spectrum of family law issues, including care of children, financial support, and property and debt division. We provide practical guidance tailored to your unique situation, prioritizing amicable resolutions while strongly advocating in court when necessary.

We have extensive experience handling complex financial matters, including those involving family businesses, intricate shareholdings, professional practices, corporate structures, tax implications, and multi-jurisdictional property.

In addition to representing our clients, some of our experienced family lawyers offer mediation services to assist parties and counsel in resolving matters outside of court.

In every matter, we provide practical, tailored guidance designed to protect our clients' interests while providing clarity at every stage.

Divorce & Separation: Extensive experience in both uncontested and contested divorce and separation matters, including complex property division, income determination, spousal support, and high-net-worth disputes involving corporate structures and tax considerations.

Corporate & Trust Matters: Extensive experience advising on family law issues involving corporate interests, complex shareholdings, professional practices, trusts, corporate interests, and related tax considerations.

Cohabitation, Marriage & Post-Nuptial Agreements: Careful preparation and negotiation of domestic agreements that protect assets, define financial expectations, and provide greater certainty and peace of mind.

Mediation: Skilled mediation services provided by our experienced family lawyers. Strategic counsel for clients on alternate dispute resolution methods to resolve issues efficiently, such as mediation and the formal Collaborative Process.
