BIOGRAPHY

Genevieve joined Alexander Holburn as a summer student in May 2023.

Genevieve is the 3L Class Representative at the University of Manitoba, and has volunteered with the University of Manitoba Community Law Centre. She is also a moot enthusiast, winning the 1L Mini Moot Competition and going on to compete as an oralist at the Gale Cup Moot in Ottawa in her most recent year.

Prior to joining the firm, she has worked in various roles ranging from an administrative assistant to a camp counsellor.

Before attending law school, she completed her undergraduate degree in history at UBC.

ON A PERSONAL NOTE

Outside of work, Genevieve loves to unwind by watching reality tv, going for long walks with her dogs or reading a good book. She is thrilled to join the team at AHBL and looks forward to learning as much as she can this summer!
