PETERS
STUDENT

BIOGRAPHY

Jon joined Alexander Holburn as a summer student in May 2021 and will return for articles in 2022.

During his first two years at law school, Jon represented clients in both BC and Alberta through student legal clinics at the University of British Columbia and the University of Calgary. Jon also participated in numerous debate and moot competitions, including the Alberta Court of Appeal moot. Jon enjoys using his fine art education to think creatively, collaboratively, and flexibly about legal problems.

ON A PERSONAL NOTE

Jon is an avid photographer and foodie. Jon has a growing collection of vintage cameras and processes his own black and white film in the kitchen, which often doubles as a pasta rolling station. (These two activities do not occur at the same time).
