

JULIA  
**ROSS**  
PARALEGAL

## BIOGRAPHY

Julia has been working in law for over 20 years. Prior to joining Alexander Holburn in 2021, she was employed as a paralegal/office manager at a firm specializing in plaintiff personal injury claims. She also spent two years in various departments of the Supreme Court of British Columbia, giving her valuable insight into litigation procedure.

## ON A PERSONAL NOTE

Julia is an avid hiker who spends most of her free time exploring backcountry trails throughout the Pacific Northwest; her favourite hikes include the West Coast Trail, Berg Lake Trail and Yosemite's Half Dome. On a quest to finish the fiction novels on her ever-expanding "want to read" list, she never leaves home without a book.
