BIOGRAPHY

Kali joined Alexander Holburn as a summer student in May of 2025.

Kali joins us from Dalhousie, where she is member of Pro Bono Dalhousie and the Dalhousie Student Advocacy Service. She was awarded the NOVA Injury Tort Law in 2024. Kali worked at an Indigenous-owned insurance company as a summer student after 1L.

Prior to attending law school, Kali earned her BA in economics with a minor in philosophy at SFU, during which she was a part of a student-run entrepreneurial club focused on creating projects to address social and environmental community needs called Enactus. Kali volunteered with the Alzheimer's Society of BC as a social media manager and planning committee coordinator of the Delta branch.

ON A PERSONAL NOTE

As a devoted foodie and aspiring mixologist, some of Kali's favourite activities include trying new restaurants and cocktail bars in Vancouver, as well as hosting cocktail nights for her friends and family. During the warmer months, Kali can be found by the water and is always up for exploring new lakes and beaches.
