

LIENE LARSEN

BILLING PROJECT MANAGER

BIOGRAPHY

Liene Larsen works as a Billing Project Manager in the firm's accounting department.

Liene has worked in the legal industry since 2015 and joined Alexander Holburn to lead the firm's payroll and benefits function in 2019. Liene moved into her current role with the accounting department in 2023, where she is responsible for improving, streamlining, and restructuring the firm's billing processes and procedures.

Currently, Liene is working towards a certification in Project Management from The Sauder School of Business at the University of British Columbia.

ON A PERSONAL NOTE

Outside of work Liene has a passion for the arts and loves being creative. She recently started to explore portrait sculpture and escapes to the studio whenever she can.
