

MARY
THOMSON
DIRECTOR, IT

BIOGRAPHY

Mary Thomson leads a team of dedicated IT professionals in supporting all facets of information technology.

Mary has been working in the IT field for 20 years. Prior to coming to Alexander Holburn, she worked at Methanex Corporation as Manager of Global IT Business Solutions. She has also worked at Teck Resources, ICBC, VANOC, BC Hydro and the OECD in Paris. Mary has significant experience in solution design, application implementation, information management, business analysis and project delivery.

ON A PERSONAL NOTE

Mary enjoys spending time with her family, travelling, camping and cooking. Having grown up living in seven different countries, she always enjoys meeting people from new places. She is also a dedicated bike commuter.
