BIOGRAPHY

Suzanne began her career as an LAA in construction litigation in 1990. In 2008, she transitioned into family law when she offered to cover for a colleague's maternity leave and never left. What started as a bit of a detour turned into something she really values.

ON A PERSONAL NOTE

When she's not working, you'll usually find Suzanne spending time with her family and their dog, Hugo, building LEGO, or checking out local farmers markets and craft fairs.
