

TANIA
MOOLLA
SENIOR PROJECT MANAGER

BIOGRAPHY

Tania joined Alexander Holburn in 2016 and is a Senior eDiscovery Project Manager. She holds the Certified eDiscovery Specialist certification through the Association of Certified E-Discovery Specialists. Tania works closely with legal teams to develop project budgets, to develop efficient strategies for the collection of voluminous evidence, and provides consulting advice related to the use of advanced eDiscovery tools. She uses various software tools, and methods, including the artificial intelligence in Relativity, to ensure projects are completed on time and on budget.

Tania routinely enrolls in classes and seminars to ensure her professional development is current with the latest tools and techniques in the ever-changing world of eDiscovery and technology.

ON A PERSONAL NOTE

Tania is an outdoor enthusiast with a passion and respect for nature. She is also passionate about the well-being of others and volunteers for many charitable organizations around the city.
