

TENLEY  
**PEARCE**  
STUDENT

## BIOGRAPHY

Tenley joined Alexander Holburn as a summer student in 2019 and will return for articles in 2021 after completing a clerkship with the BC Supreme Court.

During law school, Tenley represented clients working at the Law Students' Legal Advice Program, competed in the BC Law Schools Moot, and assisted first year students as a peer tutor. She has a keen interest in litigation and particularly enjoys working through legal issues using the logical principles developed throughout her mathematics degree and the legal skills learned during her JD.

### ON A PERSONAL NOTE

Tenley likes to stay active in her spare time; you can find her shooting hoops, weightlifting, or improving her tennis skills with help from her (very patient) friends. She balances things out by experimenting with new baking techniques and perfecting her favourite recipes.
